## Big night for prizes

THE *Logan West Leader* business community is gearing up to celebrate the region's 2008 Business Achievers which will be announced at a gala awards ceremony on Friday, October 3.

These coveted awards are recognised as one of the key small business awards in Queensland

Small business contributes to the economic prosperity and lifestyle of its local community. That contribution, and the effort that goes into it, often goes unrecognised.

The Business Achiever Awards give local communities the opportunity to laud their favourite local businesses and their hard-working employees.

In this special feature, *Logan West Leader* announces the finalists in the 2008 Awards.

Revellers at this year's gala Awards are in the running for some great prizes, thanks to our generous sponsors.

Every guest at this year's new-look awards dinner will have the

chance to win some great prizes, including the lucky door prize of a two-night accommodation package at any Central Apartments & Hotels, along with a double Gold Pass to any Birch Carrol & Coyle cinema.

One lucky guest will also walk away with an all-in-one printer, scanner and copier, thanks to the awards' delivery partner Australia Post.

## A perfect brew for success

**TIRED** of driving out of the way for a good cup of coffee, Anna Fraser and David Dunn decided to open their own shop at Jimboomba.

After perfecting their barista skills at the Zarraffa's Coffee training centre on the Gold Coast, the pair opened their own Zarraffa's franchise in March.

The store, which is a finalist in the *Logan West Leader* Business Achiever Awards in the new business of the year category, has already proven popular.

"We want to give locals the perfect cup of coffee every day," Mr Dunn said.

He said quality customer service was the key to a successful

business. "It's about making someone feel welcome from the moment they walk in the door," said Mr Dunn, who now employs six baristas.
